<p><i>Taking full responsibility, under the provisions of Greek law 1599 /1986, I declare that I am aware that long distance cycling (which includes the brevet events) takes place on roads with high traffic and facilities open to the public and that is an activity which controls the limits of physical and mental endurance. Exceeding these limits can result in serious injury, property damage or even death. For example, but not limited to, risks may arise from the natural environment, the weather, the temperature, the traffic, other peoples' reactions, the physical condition of participants, etc. Incomplete or defective equipment, either mine's or of other participating cyclists may also result in creating risk. I am also aware that the brevet events are committed to the scheduled date and time, regardless of weather and other conditions. I accept full responsibility for my actions or omissions of any possible injury to myself, accident or loss of my property as well as accident, death or property loss of a third party that can occur during my participation in brevet events. I agree that no liability whatsoever shall attach to the organizers, volunteers, event sponsors or anybody, directly or indirectly, involved in these activities. In any case, the above referred to, are not responsible of any accident, injury or even death suffered by me. I declare that I'm over 18 years, I have recently undergone a medical examination appropriate for the activity of long-distance cycling, I am healthy, I have the physical ability and have properly trained for such activity. Furthermore, I commit to repeat the necessary medical examinations at least once a year and to abstain from future brevet events if this is deemed necessary by my doctors. I have read the rules and penalties of brevets, as listed on the website "www.brevets.gr" and agree to abide by the above declarations. Finally, I agree to be taken photographs and /or video by ACG, the organizer or the sponsors (if so exist), having no financial demands.</i></p>
